

**Rock Valley Conference**  
**Dual Sport Participation Agreement**  
**Evansville High School**

A student-athlete may participate in two sports during the same season. This is an opportunity to enhance the student-athletes overall high school experience and to make a positive contribution to the school environment.

**In order to participate:**

- The student-athlete must fill out the dual sport request form and have it signed by a family member.
- Both head coaches must approve the dual sport request and sign the form.
- The student-athlete will designate a primary and secondary sport and meet with the Activities & Athletic Director to review season calendar and expectations.
- The dual sport request will be reviewed by the Activities & Athletic Director for potential schedule conflicts, the student-athlete's grades, as well as the impact on teammates and team culture in both sports. After the review the Activities & Athletic Director will report and make a recommendation to the High School Principal.
- Permission and signature of the Activities & Athletic Director and High School Principal.
- Student-Athlete, Activities & Athletic Director, family member, and coaches will meet prior to the start of the primary and secondary start dates.
